Reflection of Truth and Lies

For every lie a kernel of truth hides within.
The same way that every saint has a past.
And that every sinner has a future.
For every light casts a shadow.
Yen and Yang
Saint and sinner
Light and shadow
Truth and lies
One is the reflection of another.

After the regular season is over, the Saint Louis Cardinals have two players planning to retire, catcher Yadier Molina and first baseman Albert Pujols. Also, thinking of retiring is pitcher Adam Wainwright.

First Baseman Albert Pujols and likely Hall of Famer will retire following the 2022 season telling reporters “This is it.” His unprecCardinals and earned NL MVP in 2005, 2008, 2009 plus winning two world titles in 2006 and 2011.
